

**INVITATION FOR EXPRESSION OF INTEREST FOR
CONTINUOUS EMPANELMENT OF CONSULTANTS FOR PREPARATION AND/OR
EVALUATION OF DETAILED PROJECT REPORTS (DPRs) UNDER LINES OF CREDIT (LOC)
PROJECTS**

The Export-Import Bank of India [hereafter Exim Bank, or the Bank], on behalf of the Government of India, extends from time to time, concessional credit facilities under the Indian Development and Economic Assistance Scheme (IDEAS) to overseas governments / their nominated agencies in developing countries for financing projects involving procurement of goods, civil works, consulting and non-consulting services to be contracted to Indian entities. The Government of India has prescribed bidding, procurement and tendering procedures for these projects. Such projects are under the broad sectoral headings (illustrative, not exhaustive) of:

- Agriculture (including crop improvement, research stations, supply of tractors and farm equipment);
- Information Technology or Telecom infrastructure (IT Parks/Centres, Microwave Links, V-SAT Terminals, optical fibre networks);
- Civil construction (including housing, hospitals etc.);
- Fisheries (including pisciculture, cold storage);
- Industrial projects (sugar, cement, food processing, textile, automotive etc.);
- Irrigation (including micro/drip irrigation, canals etc.);
- Mining and mining equipment
- Power Generation (thermal, hydro);
- Power transmission and distribution, including rural electrification;
- Railways (including track laying, route construction, signalling, locomotives and rolling stock);
- Renewable energy (including solar, wind, bio-gas);
- Roads and highways;
- Supply of vehicles (including trucks, buses, other commercial vehicles);
- Water and sanitation (including desalination, water treatment and purification, storage and distribution)
- Services such as software development.

After the Borrowing Government prepares a proposal indicating the project/goods and services it is interested in importing from India, a Detailed Project Report (DPR) or Feasibility Study is to be prepared and submitted to MEA and EXIM Bank. The DPR/Feasibility study would generally be prepared by an Indian company. In some cases, the borrowing government may prepare the DPR/Feasibility Study on its own. EXIM Bank is in the process of identifying well-qualified Consultancy firms to prepare

DPRs and also review and evaluate the DPRs and provide the Bank with an evaluation report.

The DPR/ Feasibility Study should cover the following areas:

- The social, economic and technical rationale of the proposed project;
- Identification of land for the proposed project, as well as details of access/right to way to the site.
- A detailed cost break-up along with detailed justification under each head.
- Requirement and availability of raw materials and intermediate inputs as well as utilities like water, electricity etc.;
- Requirement and availability of skilled and unskilled manpower;
- Environment impact, assessment and resettlement of populace (if necessary);
- Suitability of the proposed equipment and specifications thereof;
- Availability of the major project components from Indian entities, along with the names of established and reputed Indian suppliers;
- Financial and technical feasibility of the proposed project;
- Benefits to the country of domicile and the locality of the project;
- Any other comments or suggestions.

Exim Bank accordingly invites *Expressions of Interest (EOI)* from interested Indian Consultancy firms for empanelment of firms for preparation and also review and evaluation of DPRs. The objective will be to empanel at least 3 Consultancy firms in each broad sector preferably. Consultancy firms may be qualified in multiple sectors and may indicate their interest in being empaneled for:

- DPR preparation;
- DPR evaluation;
- Both preparation and evaluation of DPRs.
