

## Security Tips (www.eximbankindia.in)

### 1. Verify the trust seal

- Exim Bank's webpages are identified by a digital certificate to assure its customer that they are on the correct site.
- This protects the customers from revealing their confidential account information on fraudulent websites.

### How to verify the Digital Certificate

- Always check for SSL certificate by clicking the lock icon at the bottom of secured page.
- The Exim Bank digital certificate is being provided by Norton-digicert.

## 2. Kindly check that the mails are being redirect to EXIM domain.

eximbankindia.in/buyers-credit

Competitive and attractive rates of interest available against host country's high borrowing cost

### Eligibility

- Buyer's credit is extended to a foreign project company that intends to award the project execution to an Indian project exporter.
- The financing will be available to all kinds of projects and service exports from India.
- The facility is available for development, upgrading or expansion of infrastructure facilities; financing of public or private projects such as plants and buildings; professional services such as surveyors, architecture, consultations, etc.
