Annexure I : Bidder's query

Page No	Tender Document	Bidder's Query	EXIM Response
Tender Page No 21: 2. Summary of Scope of Service for the Individual Sub Systems of the DMABI Solution	**2.2 Technical / Technology Architecture** The Bidder shall submit a Technical Architecture, which shall include the Security Architecture in response to the RFP, in compliance with EXIM's conceptual architecture and the Business Requirement Document. The Technology Architecture, Data Warehouse architecture, and conceptual architecture documents in relation to the **DMABI Solution shall be provided by EXIM to the extent they are available with EXIM.** The Bidder shall suggest customizations, improvements or enhancements to the Technical Architecture, Data Warehouse architecture and conceptual architecture documents in consultation with EXIM. For the purposes of submission of the Bid, the Bidder shall be **permitted to review the existing architecture** documents in place with EXIM **during the pre-Bid meeting, subject to such Bidder executing the Non-Disclosure Agreement as of this RFP**. The Technical Architecture shall conform to the following requirements:	**Need clarification:** Does Bidder has to sign NDA with EXIM bank prior to Bid Submission to access: The Technology Architecture, Data Warehouse architecture, and conceptual architecture documents? As mentioned in paragraph	Yes Bidder need to sign the NDA document. Existing technology and conceptual architecture knowledge already shared in RFP and corresponding corrigendum. Bidder need to submit proposed Data warehouse architecture, which should include technical and conceptual architecture of the product for the EXIM Bank.
Pg 20 Scope of Work	**Project Scope** Extend AMC Services and annual technical support during the Contract Period, **renewal of licenses** wherever applicable during the Contract Period, and warranty for the DMABI Solution during the Warranty Period.	Since EXIM Bank is procuring (as clarified in Corrigendum – Pre-Bid Responses) – Renewal of Licenses of any OEM will not be possible by Bidder, since Bank is dealing with OEM directly. We request EXIM Bank to allow the OEM Licenses to be re-sold by Bidder to take complete Licensing responsibilities. "License & Implementation PO to be placed in the name of Bidder"	EXIM Bank will allow the OEM Licenses to be re-sold by Bidder to take complete Licensing responsibilities. Payment will be made after allocation of the licenses in the name of EXIM Bank and reflection of licenses on the OEM portal.

OEM Licenses		Since Most OEMs have adopted to Subscription based licensing, Would Bank except the Annual License Quote or for 5 year Term?	OEM need to submit all possible mode of subscription fees accordingly Bank will decide mode of subscription based on available Budget and product pricing.
